President's Message

With regrets we must cancel our May meeting/picnic. We really want to see everyone again, but would rather protect all from an ill-timed outcome. Currently, we are planning to meet in June and plan to continue our meetings throughout the summer, when we join just to work on our projects. Unfortunately, this means that we will miss some members that travel back to their Northern nests for the summer. Hopefully, we will continue to receive contact from them.

This event also changed the e-mails that come to the Guild - from demonstration requests and looms for sale, to conversations amongst us toward completing and starting projects. It is heartwarming to know that the social side of our group continues regardless. I am still working, even longer hours, so I crave the camaraderie that everyone provides. I have kept my Saturday mornings for weaving projects and will complete my Woven Hug piece this weekend. The internet has helped in furthering my knowledge for all things weaving. I found a few resources and have included them in this newsletter.

Keep watching your e-mails as we have a dye event and a picnic in mind once we are very clear of this virus. Meanwhile, I have a full library of books and offer to ship them for free if you need to borrow. Stay healthy and happy. We miss you.

Best regards,
Lynn Newcomer
