Happy Easter!

The Guild had a wonderful workshop with Tom Knisely in March on Huck Lace. Here's some pictures of the samples he brought for his talk on Thursday before the workshop. Enjoy!

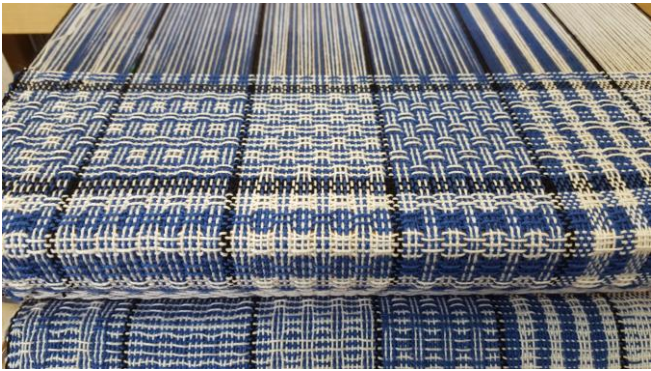

Everyone in attendance had a great time with Tom...after dinner, looms were set up for the workshop, which began the following day.

For Sale

I have an antique spinning wheel that I would like to sell. It is all original except for the large spindle at the very top. I had that turned to match the rest of the spinning wheel. It is operational. Would I be able to advertise it in your newsletter? I've attached 2 photos in case any of your members are interested. I would want \$150.00 for it. Thanks
