

## **Jacksonville Weavers' Guild**

### **Minutes, May 14, 2011**

The meeting was preceded by a tour of the Fort Caroline Community Center by Dave Harrison, president of the community association running the center. We discussed the possibility of holding our meetings at the community center and of storing our library there. All agreed to this.

The meeting was called to order at 10 a.m. at the Fort Caroline Community Center by Linda. Present were Linda Schultz, Jeanne Applegate, Sharon Williams, Lynette Holmes, Barbara Wroten, Lee Kessler, Anne Marie Russell, Kathleen Bowles, and Ann Stodola.

A motion was made to approve the minutes from the meeting on April 9, 2011 by Lynette. Seconded by Jeanne. Carried.

No treasurer's report was available.

Barbara reported that we will need a new cabinet to store our library in the community center, as one of the cabinets was destroyed by water from previous storage.

Ann Stodola reported that she will be unable to continue producing the newsletter. We thanked her for her work on the newsletter.

Old Business: The slate of officers was approved at a special electronic meeting held on April 11, 2011. The elected officers are: President-Linda Schultz, Vice President-Jeanne Applegate, Treasurer-Donna Markowitz, Secretary-Susan Wallace. The non-elected officer is Past-President-Lynette Holmes.

A kumihimo workshop was held by Linda Schultz for Grade 5 students at an Arts and Crafts festival at Bartram Springs School on May 3. All students enthusiastically participated.

New Business: A hands-on weaving demonstration will be held at Gregory Drive School on May 23 by Linda Schultz.

Reminder to renew memberships for 2011-2012.

Reported on plans to set up the looms at Elemental Gallery so that anyone interested in weaving can weave a project for a fee.

Discussed ideas for future activities of the guild:

Survey members for program ideas.

Give members the responsibility of hosting individual meetings (choose topic or theme, arrange for instruction).

Network with other fiber groups such as FAN or knitting groups. Consider an annual meeting or regular meet-ups.

Change the order of the meeting.

The meeting was adjourned after show-and-tell.

Jeanne Applegate presented a program on Kumihimo Jewelry.

Respectfully submitted,

Linda Schultz, president
