### COMMITTEE REPORTS

Program: Susan Wallace, new Chair, is looking for ideas for programs for the 2015-16 year. Scheduled for September's program is warping cotton seed which Judy has on hand in preparation for dyeing at the October meeting. Everyone is asked to bring their warping board to the September 12 meeting. Suggestions for future meetings include Overshot, Working with Linen, Backstrap Looms, and Spinning.

Newsletter: Judi Leatherberry in late August, will solicit items to be included in the September newsletter.

Library: Sharon Williams will serve as new Chair. Some items appear to be missing from the Library and the cabinets were left unlocked following the April meeting. There is a question of security as some pieces of our equipment cannot be placed in the locked cabinets and other groups have access to this room through the summer.

Hospitality: Tracy Pagendarm will continue as Chair of this committee.

Membership: Ann Wingate will continue as Chair. Members were reminded that dues of \$20 must be paid in order to be included in the membership booklet and to receive minutes and other notifications of the Guild's activities.

The following Committee positions remain vacant: Publicity/Historian, Workshop, and Education/Community Service/Special Events

### Old Business:

Name tags for the FTWG add up to about 50 completed, 16 needing cords. There is fabric for approximately 15 more. It was suggested that spraying the fabric with heavy starch on the back makes them easier to work with. Members need to continue working on the name tags over the summer.

Discussion of the March 2017 workshop with Tom Knisely included suggestions of topics. Some of the his workshops we could select from are Weaving Rugs, A Sampler in Twill, Color and Weave Effects on Twill, Overshot Scarves, V-Shaped Scarf, 4 Shaft Huck Lace with Color and Weave Effects, and Weaving on a Straight Eight Twill Threading.

New Business: The following officers were installed for the 2015-16 year: President - Judy Jull.  
Vice President - Jennifer Hewett-Apperson, Treasurer- Kate Muniz, Secretary - Nancy Baer

Judy asked that all committee chairpersons compile a list of duties and job requirements for their position, thus providing information for the next person.

Judy had news of Katherine Carrick who is stationed in Guantanamo Bay. She and her husband are doing well, surviving the heat. When this tour of duty is completed they hope they will be going to Washington state.

The meeting adjourned at 11:10.

Several Members of the Gainesville Guild joined us for Show and Tell, followed by a pot luck picnic on the lawn under the trees.

Show and Tell:
